SECTION 2

Your Committee has considered the following and upon the adoption of this report the recommendations is as follows:

308592 DOCKET #8646– PSD2, LLC, Owner, Application (No. V-10-32): Variation to erect a billboard advertising sign closer than 500 feet to Forest Preserve District property; and reduce corner side yard setback from 30 feet to 16.2 feet for billboard advertising sign in I-1 Restricted Industrial District. The subject property consists of approximately 0.97 of an acre, located approximately 505 feet east of R.O.W. line, Chicago, Milwaukee, and St. Paul Railroad and 1,052 feet west of the centerline of Waukegan Road in Northfield Township, County Board District #14. Recommendation: That the application be denied.

Conditions: None

Objectors: Mr. Banks, as attorney for 600 Waukegan Road, appeared on behalf of the ownership of the property located immediately south of the subject property. 600 Waukegan Road's contention with the subject sign is that by allowing it to be built, would precluded his client from replacing the existing off-premise billboard advertising sign on its property because of the Ordinance's requirement of 500 feet of separation between off-premise billboard advertising signs.

***Deferred at the Board meeting of 09/15/10.**

The subject property consists of approximately 3.13 acres, located on Frontage Road, approximately 461 feet west of Waukegan Road, extending west to the Chicago, and Milwaukee Street, Paul and Pacific Railroad in Northfield Township, County Board District #14. Recommendation: That the application be granted.

Conditions: None

Objectors: Mr. Storino, as attorney for PSD2, LLC, appeared on behalf of the ownership of the property located immediately north of the subject property. PSD2's contention with subject sign is that by allowing it to be rebuilt, PSD2 will be precluded from constructing a new off-premise billboard advertising sign on its property because of the Ordinance's requirement of 500 feet of separation between off-premise billboard advertising signs.

\$134,707.04

Effective 02/28/11 (tentative)

New Hire: The position was created for the Oak Central Fill Pharmacy to oversee the processing of refills for system pharmacies (Fantus, Stroger, Oak Forest, and Provident); to bring mail order services currently provided by an outside contractor in-house; and to relieve additional workload from the local pharmacies in order to decrease the turnaround time for patients waiting onsite for prescriptions. The precedent for this salary was set by the CORE Center pharmacy manager, a CCHHS employee whose salary is \$134,500. The candidate is highly qualified with 24 years of experience. He has managed the mail order pharmacy for the company currently under contract to provide services to our patients. The anticipated savings to CCHHS for bringing these services in-house is approximately \$3 million annually. Available Market Data indicates a median salary for a position of this type at \$124,301.00.

The adjustments to the Grade 24 positions will be funded from the 110 Account. Pursuant to Resolution 09-R-526 the System Board has authority to transfer funds in and out of the 100 Services Accounts (Personal Services); therefore the above adjustments are within the Cook County Health and Hospitals System FY2010 appropriation.

The Cook County Health and Hospitals System Board of Directors reviewed the above Grade 24s at their meeting of December 17, 2010.
